

# BREW Download Instructions

## How to download mobile content using BREW

1. Select the "BREW"  icon from your main menu (icon varies by phone manufacturer)
2. Select "Mobile Shop" 
3. Select "Catalog"
4. You will see a series of categories. Select one to browse through the options.
5. Select the item you wish to download, and the pricing option – the price plus applicable sales tax will be deducted from your Revol Bucks account if you confirm the purchase.

**Prices vary by downloaded application. A setup fee is required. Remember, you must have funds in your Revol Bucks account to download.**
