## **Revol Wireless® Partners With The American Red Cross To Support The Haiti Disaster Relief Efforts**

Independence, Ohio – In response to the tragedy that occurred in Haiti, Revol Wireless is proud to announce they have partnered with The American Red Cross in a campaign for Revol Wireless customers to contribute financial donations to the Haiti relief efforts.

Since The American Red Cross text donation program for the Haiti relief fund is not technically designed to work with all wireless companies, including Revol Wireless, we have established an alternate fund raising program that is convenient to our Revol Wireless customers.

The Revol Wireless campaign will allow customers the ability to donate at any Revol Wireless corporate retail store location, or by calling Revol Wireless Customer Service, both of which are common methods used for normal bill payment. Revol Wireless will match up to \$5,000 of all donations received. As with any donation Revol Wireless may receive, there are no fees and 100% of all dollars collected for the Haitian relief efforts will go directly to The American Red Cross.

"Revol Wireless is dedicated to helping with the unfortunate situation in Haiti," said Michael Beehn, Vice President of Marketing for Revol Wireless. "We are very proud of our customers, who wish to donate to the Haitian relief efforts, and we will continue to work with The American Red Cross to make certain our customers have the ability to conveniently donate to the relief effort."

Below is a list of Revol Wireless Corporate Locations that are accepting customer donations. Customers can also call 1-800-REVOLHQ to make a donation.
