**Revol Wireless® Sponsors  
Junior Achievement of Central Ohio's BizTown**

Independence, Ohio – Revol Wireless is proud to announce that they are a corporate sponsor of this year's Junior Achievement of Central Ohio BizTown. The BizTown program provides students with a realistic opportunity to experience how basic economic concepts are used in the real world. By participating in BizTown, young students experience the responsibilities and opportunities of citizenship in a free enterprise system.

Designed for students in 4<sup>th</sup> through 6<sup>th</sup> grades, the JA BizTown program is presented in four progressive stages:

- 1) Teachers, parents and adult volunteers attend on-site training workshops.
- 2) Students complete a four-week classroom curriculum on economics, in which they choose jobs, develop business plans, and discuss the importance of citizen rights and responsibilities.
- 3) During the JA BizTown field trip, students participate in a day-long simulation taking on the roles of citizens in their community as business owners, employees, and consumers.
- 4) Students return to school and complete a follow-up classroom curriculum.

Revol Wireless deeply believes in helping inspire our youth and has created a complete store location where thousands of students get the opportunity to run and understand the in's and out's of a wireless phone carrier business.

"Revol Wireless is thrilled to be able support a program such as Biztown, which allows students the opportunity to see and learn in a real world setting that is fun and interactive," said Michael Beehn, Vice President of Marketing for Revol Wireless. "Biztown is just one way we're accomplishing that mission. In conjunction with Junior Achievement, Revol Wireless also sponsors in-school and after-school programs for students within the Central Ohio region which focus on work readiness, entrepreneurship, and financial literacy."
